Gateway Community & Technical College Board of Directors to meet in Fort Mitchell

The Board of Directors of Gateway Community and Technical College will be meeting at 6 p.m. Monday, September 19, 2005, at the Northern Kentucky Chamber Center NOR-COM conference room, 300 Buttermilk Pike, Fort Mitchell, Ky.

Gateway Community and Technical College offers educational opportunities to approximately 2500 students in 28 program areas and includes three campuses in Covington, Edgewood and Highland Heights. A fourth campus on Mount Zion Road will be under construction in the coming months. Students earn associate degrees, diplomas and certificates at the two-year college that is fully accredited by the Council on Occupational Education. Gateway Community and Technical College has partnered with more than 120 local businesses to serve more than 3,000 students in customized short-term training in the last 12 months. ###

Gateway Community and Technical College is part of the Kentucky Community and Technical College System. KCTCS serves the Commonwealth through 16 community and technical college districts that form a seamless system of 62 campuses open or under construction. KCTCS colleges change lives by providing accessible and affordable education and training through academic and technical associate degrees; diploma and certificate programs in occupational fields; pre-baccalaureate education; adult, continuing and developmental education; customized training for business and industry; and distance learning.
