### **The Executive Committee Met Once During 2012**

The Executive Committee met in November 2012 to discuss the agenda for the Nov. 15, 2012, Board Meeting and to consider if any additional Board training activities were necessary for the Board. Rather than a Board training activity, the group asked Dr. Hughes to provide during the November 2012 meeting a comprehensive overview of the college's marketing strategy and how that strategy connects to enrollment and other strategic plan issues.
