Meeting Highlights:

Special meeting explanation

Chairman Groob explained the purpose of this special meeting was to approve the summary evaluation letter prepared by the President's Evaluation Committee. This letter was based on the anonymous evaluations submitted to the committee in late spring. He noted that the Board's actions would be in compliance with the law and the directions of KCTCS. Once approved by the board, this summary evaluation letter would be submitted to KCTCS president, Dr. Jay Box.

Committee reports/actions

Secretary and Committee Chair Smith-Morrow reported the process of the evaluation, distributed the draft summary evaluation letter to each board member and Dr. Hughes, and gave them time to read the letter. Following a brief discussion the Board voted to approve the letter. Chairman Groob signed the approved letter and presented it to KCTCS General Counsel, Campbell Cantrill, to deliver to Dr. Box. Dr. Hughes thanked the board and praised the college's staff and faculty for the implementation of innovative work to support students and the community. He noted that the college is seen as a leader in many areas in Kentucky and the nation.
