Gateway Community & Technical College Board of Directors Special Called Meeting September 1, 2015

The Board of Directors of Gateway Community and Technical College will meet **Tuesday, September 1, 2015**, in a special called meeting for the purpose of performing the evaluation of Gateway's president/CEO. The meeting will begin at 12:00 p.m. and will be held in The Gallery of the Center for Technology, Innovation and Enterprise (TIE) at the college's Urban Metro Campus, 516 Madison Avenue, Covington, in the first floor gallery area.

Gateway Community and Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Gateway Community and Technical College.

The Commission is to be contacted only if there is evidence that appears to support an institution's significant non-compliance with a requirement or standard.

GCTC is Northern Kentucky's only public, two-year comprehensive community and technical college, and its SACS accreditation has been reaffirmed through July 2023. SACS is a U.S. Department of Education-recognized agency that evaluates academic programs at two-year and four-year institutions to ensure the quality and acceptability of each institution. SACS accreditation means that Gateway students can transfer their course credits to four-year colleges and universities throughout the nation.

Gateway enrolls nearly 5,000 students and offers associate degrees, diplomas and certificates in 30 subject areas. Classes are provided at GCTC locations in Boone County, Covington, and Edgewood. Through partnerships with more than 400 local businesses, GCTC provides customized, short-term training to more than 3,000 other people. Find out how to "start here and go anywhere" at gateway.kctcs.edu. GCTC is one of 16 colleges that comprise the Kentucky Community and Technical College System.

For most Kentuckians, higher education begins at the Kentucky Community and Technical College System. Our statewide system of 16 colleges, 68 campuses and more than 100,000 students is a critical component to transforming the state's economy by providing citizens with the education and training needed for high growth, high wage careers.
