

Gateway Strategic Planning Development Committee

16 November 2017

The Committee will meet on 30 November 2017 to discuss key performance indicator reporting in a dashboard format. The focus will be on finalizing measures and reviewing preliminary data for Gateway Strategic Plan's planks 2, 3, and 4:

2. Develop innovative opportunities for flexible, affordable, and personalized learning;
3. Develop comprehensive customizable and fluid educational pathways; and
4. Cultivate an experiential, collaborative and supportive learning environment.

We will continue dialogue about key indicators that will be relevant to planks 1 and 5:

1. Strategically position Gateway Community and Technical College within the comprehensive educational landscape of the Northern Kentucky/Greater Cincinnati Region; and
2. Strengthen long-term institutional growth and stability.
