Associate in Applied Science: Apprenticeship Studies

I do understand that there may be course changes with future curriculum revisions that may affect a change in course requirements listed on this sheet. This program is designed to complement specialized study in a national or state approved apprentice curriculum (i.e. 2000 hours per year of related classroom instruction).

Pre-Requisite Courses

Courses	Cr	Grade	Offered
Completion of national/state certified apprenticeship program			

Required General Education Courses

Courses	Cr	Grade	Offered
Applied Physics or other Natural Science course with consent of program coordinator	3-4		All
ENG101 Writing I	3		All
Heritage/Humanities	3		All
Oral Communications	3		All
Quantitative Reasoning	3		All
Social/Behavioral Sciences	3		All

Technical Core

Courses	Cr	Grade	Offered
Apprenticeship Credit*	42		Fall/Spring
Digital Literacy - CIT 105 Introduction to Computers or OST 105 Introduction to Office Systems (or Competency demonstrated by exam)	3		All

Notes

- * Apprenticeship credit requirements can be met by a combination of apprenticeship credit and other technical courses as approved by the program coordinator.
- At least 25 percent of the approved curriculum for any certificate, diploma or degree must be completed at the student's home college.
