Notes

Progression in the Criminal Justice program is contingent upon achievement of a grade of C or greater in each CRJ course and maintenance of a 2.0 cumulative grade point average or above (on a 4.0 scale).

All Criminal Justice students, as part of their last core Criminal Justice class, will be required to take the Criminal Justice Advanced NOCTI exam.

I understand that if I have prior felony/criminal convictions, domestic violence convictions, am prohibited by law to possess firearms, or have a dishonorable discharge or general discharge under other than honorable conditions, that it may be difficult to find employment in the field of criminal justice.

I have reviewed this advising sheet with my advisor and understand course requirements and preferred sequence of courses necessary to complete a credential. Also, I do understand that there may be course changes with future curriculum revisions that may affect a change in course requirements listed on this sheet.
