Associate in Applied Science/General Occupational/Technical Studies: Cosmetology

Program Details

Progression in the Cosmetology program is contingent upon achievement of a grade of C or greater in each technical course and maintenance of a 2.0 cumulative grade point average or above (on a 4.0 scale).

Note: Knowledge of the theories of hair, skin and nail care is coupled with practice of the various techniques used in salons. Students enrolled in Cosmetology courses attend year round. As required by the Board of Hairdressers and Cosmetologists, the applicant shall furnish proof that he or she has earned a high school diploma or its equivalent.
